

I cultivate rights

The right to receive appropriate care

September 21st – October 11th 2014

Rights Week is dedicated to the promotion
and protection of residents' rights:
we all share the responsibility!

An initiative of your Residents' Counsellor, the Residents' Committee,
the Service Quality and Complaints Commissioner in cooperation
with the Quality and Vigilance Committee of Vigi Santé.

Keep an eye out for the program
of activities planned for your CHSLD
