

National Infection Prevention and Control Week

From **October 19 to 23**, Vigi Santé will be recognizing **National Infection Prevention and Control (IPC) Week** in its centres. We invite you to take part in the third edition of this themed week, organized by our teams!

This week highlights the importance of infection prevention and control, as well as all the efforts being made to ensure the safety and well-being of residents and their loved ones, volunteers, caregivers, and all the teams working in our centres.

The team for this year's edition is:

'National infection control week : powered by you'

We invite you to visit our centres and discover the world of infection prevention and control through fun activities and informative resources!

From the Infection Prevention and Control Week Planning Committee

Irène Kostolias

Nursing care, Infection Prevention and Control Component

Emergency Preparedness Awareness Week

From **October 4 to 10**, the 15 Vigi Santé CHSLD will mark their second edition of Emergency Preparedness and Safety Awareness Week. At Vigi, resident's safety is at the heart of everything we do: it is our top priority, and every action and activity reflects this commitment.

During the week, teams across our centres will take part in activities designed to strengthen our safety culture. For residents, visitors, and volunteers, themed displays on Vigi screens and interactive activities will highlight the importance of safety as a shared responsibility.

Together for safety!

The change of seasons... and clothing!

Personalized clothing identification labels can be ordered, for a fee, from the reception. These labels, sold in batches of 100 units, include the abbreviation (**RÉ**) to identify our installation as well as the resident's full name. Labor costs also apply.

Without obligation to retain the paid service offered, please be informed that the identification described above is obligatory, even if you also take care of the clothing yourself.

We also remind you to identify all pieces of clothing, including socks and hats, by sewing the label onto each piece. After numerous washes, a label that is only ironed can peel off.

In addition, please note that the reception can give you information on the laundry service available.

Thank you for your collaboration!

Reserve your place for the Special Family Holiday Meal!

In the festive spirit of the holiday season, Vigi Santé and its staff, in collaboration with the Volunteers' Association will do everything possible to organize a wonderful meal for residents and their guests, family members, and friends.

To ensure that this event is planned as smoothly as possible, it is important for teams at our centres to determine as early as possible which residents and loved ones will be attending.

Please note that each resident may invite up to two guests to this festive event.

At Vigi Reine-Elizabeth, we are celebrating on Saturday, December 12

Please refer to the attached invitation for all details, including the delicious menu prepared for you by our Food Services and Clinical Nutrition teams, as well as information on reservations and payment.

On the back of the invitation, you will find a response form to complete. Please note that a paper copy of the form is also available at the reception desk of our centre.

Reservations and payment must be made by Thursday, November 5, inclusively, at the reception desk of our centre, where the corresponding tickets will be provided.

A wonderful opportunity to celebrate together. We look forward to welcoming you with open arms!
